

Q-CORK

The Cork Qi 3-in-1 charger is sustainably made with cork (derived from cork oak tree), and each packed in FSC recycled kraft packaging. This collapsible charger features a magnetic snap-on phone stand, an Apple(R) watch charger, and a wireless earpod dock. Includes an USB-C cable made with PLA (bio-based plastic) and R-TPE (recycled plastic). Showcase your brand via laser finish while leaving a smaller carbon footprint on the environment!
