## HOW TO MEASURE

### HATS

Measure the circumference around the head, above the eyebrow and at the widest part of the head.  
Divide number by 3.14 for hat size.

## COLORS

|                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                    |                                                                                     |                                                                                      |                                                                                      |
