

Please refer to detailed instructions

Green line denotes Inside Margin
Pink line denotes Outside Bleed Margin
Gray line denotes Die Cut

The template is the same for the outside and inside of the card.

However, for the outside: If your finished product is to be portrait when folded, the front will be on the right side and the back on the left side. If the finished product is horizontal when folded, then the front is on the bottom (right side up) and the back goes on the top (upside down) aka head to head.
